MEMORANDUM FOR THE EXECUTIVE DIRECTOR, U.S. INTELLIGENCE
BOARD (ATTENTION:)

STAT

Subj: National Intelligence Survey (Atlantic Basin-III,
East-Central Sector of North Atlantic Marine Climate
and Oceanography); results of classification review of

Ref: (a) CNO (OP-009D3) coordination record (Case No.
75-D-06) of 5 May 75

1. By reference (a), the Commander, Naval Oceanographic Office (NAVOCEANO) was requested to review subject publication which was prepared for the Naval Investigative Service by the Department of the Navy for possible declassification and use in an unclassified report by the Commanding Officer, Naval Underwater Systems Center, Newport, Rhode Island.
2. This office was subsequently advised by both NAVOCEANO and Commander, Naval Weather Service Command that subject publication may be declassified.
3. Accordingly, your concurrence or comments are requested by 18 July 1975. If declassification is appropriate, it is requested that all holders be so apprised. The point of contact within CNO (OP-009D3) is Mr. F.N. Cook, 325-0141.
